Conference Call Minutes, COVID-19 (Jail Administrators)

Testing Update

- Mass testing of West Virginia will be performed
- Transfer testing
 - DOCs continue to require transfer testing (NY & PA). Having issues meeting the time requirements related to delays in processioning time. Currently in talks with the PA DOC

Work Release

- Continue to have questions
 - Addressing situations with facilities on a case-by-case basis.
 - Quarantining in the work release area.
 - Separate area within the unit
 - May be difficult if the unit is a dorm unit
 - When outside the building, they are encouraged to wear masks
 - Temperature checks and symptom checks are recommended when exiting/return to the facility

Behavioral Health Study

- Proposing a COVID-19 research study on individuals that provide services in corrections, such as correctional officers, nurses, etc.
 - Looking at the challenges of COVID within the facility on staff.
 - Looking for facilities that wish to participate
 - If you your facility wishes to participate, you can contact PCM / Dr. Rollings at prollings@primecaremedical.com Cell Phone: 717-649-3243
 - Would consist of questionnaires / surveys
 - May generate 4-6 articles published dealing to this specific topic

Weekly Reminders

- Continue social distancing
- Masks
- Wash hands
- Suicide precautions trumps COVID-19
- Available for all our facilities (Up-to-date COVID-19 information):
<http://www.primecaremedical.com/covid-19/>

Questions

- PCM stance on the masking of staff? – PCM continues to recommend the use of masks and social distancing.
