Conference Call Minutes, COVID-19 (Jail Administrators)

More counties are opening the courts to criminal trials, this will require additional transports.

Recommendations related to transports:

- Transport alone if possible.
- Mask the inmates being transferred as well as the masking of transport staff.
- Social distancing
- Temperature checks
- Shower upon return
- New mask upon return
- New uniform upon return
- Touch base with the courts related to their procedures for COVID-19

PCM will be moving to weekly written updates instead of the call. **Continue to reach out if you have specific questions of concerns.** - <http://www.primecaremedical.com/covid-19/>

Weekly Reminders

- Continue social distancing
- Masks / handwashing
- Suicide precautions trumps COVID-19
- Available for all our facilities (Up to date COVID information)

Questions

Has there been discussions with PA DOC regarding positive test results from inmates that continue to show positive months later and are recovered? – They should be accepting. PCM regular contact with PA DOC regarding transfers and COVID-19
